Things to keep in mind:

1. This is an outdoor event. This event will be held rain or shine, there will be **no refund** for inclement weather.
2. Vendors provide their own tables, chairs, and canopies etc.
3. Vendors bringing canopy tents for shade, are strongly encouraged to **bring weights** (no less than 25 lbs per leg is suggested) for the tent. **It is very windy on the Coast.** Not only can a tent be expensive for you to replace, having one fly can be dangerous for everyone. So please weigh down your canopy.
4. Beachcomber Days Parade will take place at noon on Saturday. Business will most likely be slow during this time. It is a perfect opportunity for you to enjoy the parade and check out all the fun floats and participants.
5. Saturday there will be events on-going through the evening. Therefore, it is permissible for vendors to stay open after 5 pm, voluntarily.
6. **THERE IS NO SECURITY OVERNIGHT!** You can leave your canopy set up overnight, however we will not have security through the night. So please do not leave valuables and/or products unattended.
7. Beachcomber Days does not provide electrical power for vendors. Vendors bringing generators are requested to indicate their intent on the application form.
8. Beachcomber Days **does not** have Wifi available. However, depending upon placement in the venue, Wifi from the Fire Department of Community Center may be possible.

9. Beachcomber Days reserves the right to run background checks on vendors.
